

Dear Sponsor,

Thank you for taking the time to consider becoming a sponsor of the East Coast Reiners Association (ECRA).

East Coast Reiners Association was founded in 1975 as an affiliate of our parent organization, the National Reining Horse Association (NRHA). Like many others, you may have seen or heard of the show, *The Run For The Million* on Paramount. This show is exclusively about the sport that we here at ECRA are trying to revive. When the ECRA was founded, Long Island was THE place for reining in the US, with many of today's famous trainers getting a start here! Over time, with the increasing prices that we all know too well, reining horse and farm ownership on the island has decreased. While there are many horses trained in other disciplines on Long Island, it is our hope to inspire these riders to try something new and hopefully bring reining back!

East Coast Reiners Association has proudly promoted the equestrian sport of reining on Long Island and in the greater New York area for over 45 years. Our organization is run solely by volunteers who put on a series of reining competitions every spring and summer at various locations across Long Island, as well as a year-end awards ceremony and several other events to support the club throughout the year.

Our primary source of fundraising is from both private and corporate sponsorships from those who have an interest in continuing the sport of reining on Long Island. Those who provide sponsorships to the ECRA either by monetary donations or a donation of goods for any of our events will be thanked publicly on our website, through our social media account(s), as well as in our newsletter that is sent to our membership monthly, including contact information or a business card for any sponsoring business or organization.

Please feel free to contact our board of directors at eastcoastreinersassociation@gmail.com if you have any questions regarding ECRA and how to become a sponsor. You may also visit our website, ECRAonline.com/sponsors/ or find us on Facebook for the latest events!

Thank you for your time and consideration. We could not have continued to support reining on Long Island for the last 40 years without the kindness and generosity of our local community.

Warm regards,

East Coast Reiners Association
